Hey there!

Sick of dead-end text threads? 🤖

Want to know the real secret to transforming virtual chats into real-world dates?

Your Name

Tickle me intrigued...

Alisa B

Well, you've come to the right place! I have 3 proven text formulas that are engineered to cut through the noise, ignite her curiosity, and have her itching to meet you IRL.

You ready?

Your Name

F\*ck yes! 😎

## TEXT NO.1

# The “Intrigue Opener”

Spark her curiosity and make her want to learn more about you.

---

Your Name

Hey [name], saw your [something interesting from her profile or recent post]. I'm curious to know more about your [related topic].

### WHY IT WORKS

This text works because it shows you've actually looked at her profile, it makes it clear you're interested in her and not just any woman, and opens the door for a deeper conversation.

## TEXT NO.2

# The “Playful Challenge”

Inject some fun and flirtation into the conversation.

---

Your Name

I just tried [activity related to her interests]. I'm pretty good, but I bet you could beat me. Want to put it to the test?

### WHY IT WORKS

This text works because it creates a playful back-and-forth, it suggests a fun date idea without being too direct, and challenges her in a lighthearted way.

## TEXT NO.3

# The “Direct invitation”

Secure the date without being overly pushy.

---

Your Name

I'm heading out to [place/event] on [day/time].  
Want to join me? I have a feeling we'd have a great  
time together.

### WHY IT WORKS

This text works because it assumes the sale (that she wants to see you), gives her a clear and easy opportunity to say yes and demonstrates confidence and initiative.

Before you go, heres a little tip...

A well-placed emoji can add a hint of personality and warmth to your texts 🤗

The trick is to use them sparingly, but effectively.
